

OCEAN VENTURES INDIA

MARITIME CONSULTANTS LLP

Marine Surveyors & Consultants

The background of the entire page is a photograph taken from the deck of a large ship, looking forward. The deck is red with yellow safety railings. In the distance, the ship's superstructure, including masts and cranes, is visible against a blue sky with light clouds. The ocean is a deep blue.

COMPANY PROFILE

About the Company

Ocean Ventures India Maritime Consultants LLP is an independent maritime consultancy firm providing senior-level technical services to **Ship Owners, Ship Managers, Charterers, and P&I Clubs**. Headquartered in Ahmedabad, Gujarat, India, we deliver reliable, transparent, and timely maritime solutions aligned with international regulations and industry best practices.

Our services span marine surveys, inspections, audits, damage investigations, onboard and shore-based training, and technical consultancy. With consultants drawn exclusively from senior seagoing ranks, we ensure every assignment is handled with practical insight, professional judgment, and uncompromising integrity.

Company Background and History

Ocean Ventures India Maritime Consultants LLP was established by a group of Marine Chief Engineers with extensive operational and managerial experience. Our team comprises Masters and Chief Engineers with over **30 years of combined sailing experience** across a wide range of vessel types, including: - Bulk Carriers - Container Vessels - Crude Oil Tankers - Product Tankers - Car Carriers - Passenger Vessels.

Our background enables us to support stakeholders with objective assessments, risk mitigation, and compliance-focused solutions that protect operational continuity and commercial interests.

Our Value to Clients

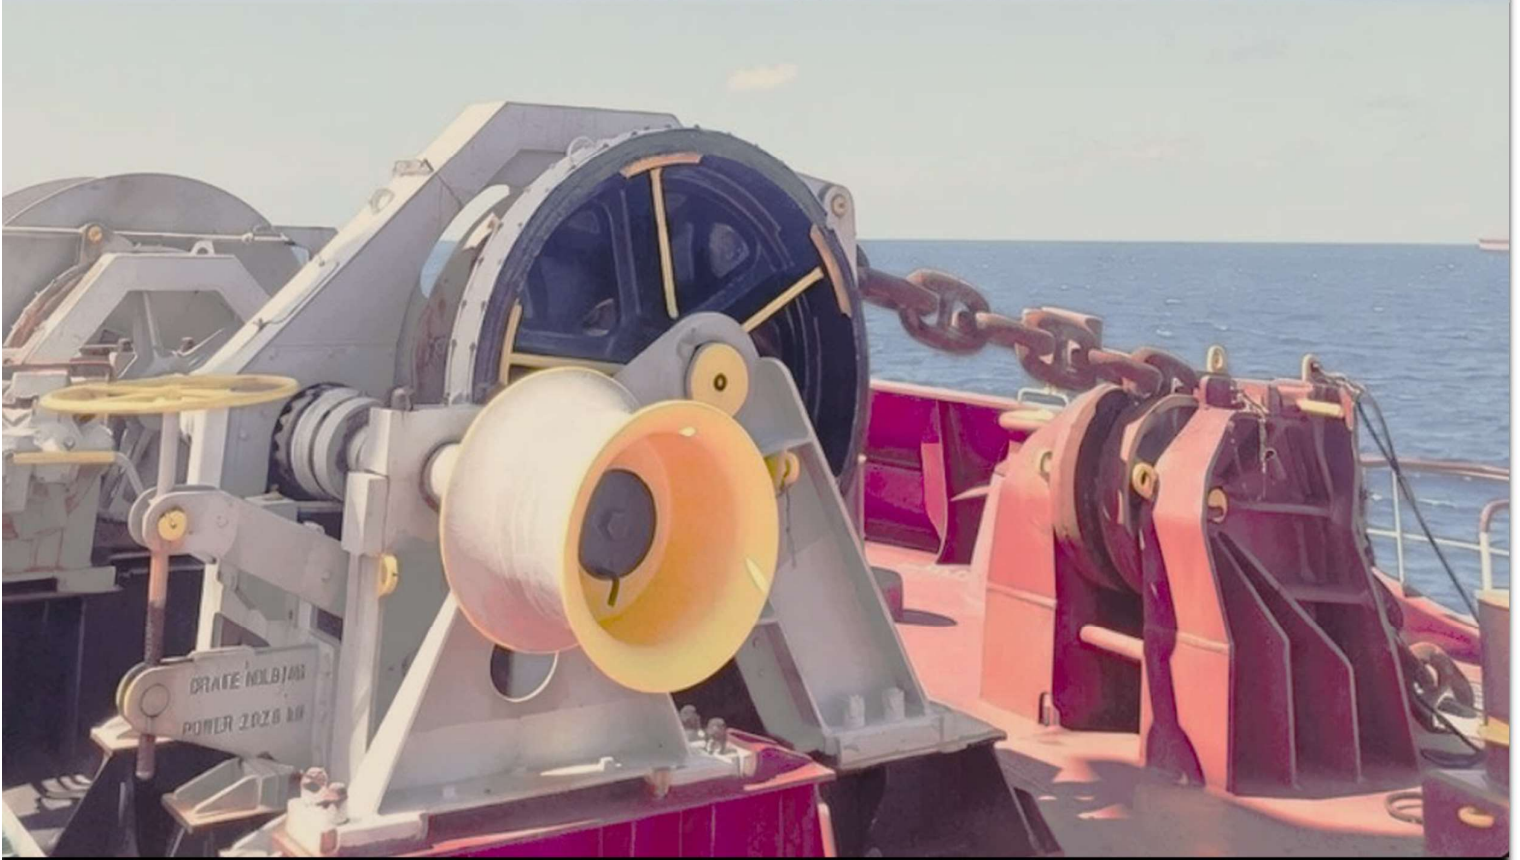

We understand the commercial, operational, and regulatory pressures faced by shipowners, managers, and insurers. Our approach is focused on: - Independent and unbiased reporting - Practical, experience-based recommendations - Prompt attendance and responsive communication - Strict confidentiality and professional ethics.

Our Vision

To be a trusted maritime consultancy recognized for technical excellence, integrity, and reliability.

Our Mission

To support shipowners, managers, and insurers by delivering accurate, risk-focused solutions, assessments, and world-class maritime services that enhance safety, compliance, and asset protection.
